In order to avoid obstructing the finishing line, boats that *finish* at the fixed line from the north shall then leave Mark South to port; boats that finish from the south shall then leave Mark North to starboard. Failure to do so may result in a discretionary penalty (DP) without a hearing. This changes RRS 63.1.
- 16.3** If the course is shortened, in accordance with RRS 32.2, flag 'S' will be displayed from the club flagpole accompanied by two sounds.
- 16.4** If the course is shortened on the water the finishing line shall be between the mast of the Finish Boat displaying flag "S", and a nearby rounding mark outside of which it is stationed, in accordance with RRS 32.2(a).

The flag will be displayed until all such boats are completely on the pre-start side of the starting line or one of its extensions and have complied with RRS 30.1, or the start of the following fleet, or two minutes, whichever is earlier (this changes RRS 29.1).
- 19.4** If a General Recall is signaled (First Substitute flag displayed accompanied by two sounds) boats of all Classes will be recalled and the complete starting sequence will begin again.

- 19.12** When all finishing positions have been recorded the orange inflatable marks will be lifted accompanied by one long continuous sound signal.
- 19.13** After passing through the moving finish line, all boats shall continue to sail the course until they reach and pass between the orange inflatable marks, or until the marks are removed. Failure to do so may result in being scored DNF without a hearing. This changes RRS 63.1.
